# WELCOME

HiBrite Enterprises LTD., as a company specializing in desk lamps for more than ten years, enjoys high reputation within lighting industry. Owning an experienced technical team, we design plenty of new products every year, providing more choices for our customers. With advanced manufacturing equipments and responsible management team, every piece of our product is of high quality, and more than 90% models are CE/ROHS approval.

Up to now, we have 80 design patents and 31 structure patents in European Union, winning great trust from our customers. Our products are mainly exported under OEM and ODM to Europe, South America, Asia and many other countries.

Welcome to contact us if you need any more information!
